Dear Ms. Nachtrieb:

Enclosed are the two documents that you requested - Final Past Remedy Report, Operable Unit No. 3 - IHSS 199 and Final Historical Information Summary and Preliminary Health Risk Assessment - Operable Unit No. 3 - IHSS 200 - 202. It is important to note, that at this time, neither document has been approved by the regulatory parties to the Interagency Agreement. Rocky Flats is in the process of responding to regulatory comments to the documents and these documents will change somewhat before approval and release to the public. But, Rocky Flats hopes they will be useful to you and will keep your project on schedule.

If you have any questions, please feel free to contact Robert H. Birk of my staff at 966-5921.

Sincerely,

Frazer R. Lockhart
Director
Environmental Restoration Division
